

LEAVENWORTH UNITED SOCCER CLUB

Girls and Boys Competitive Youth Soccer

Summer Youth Academy Camp

Having fun, making friends, playing soccer, learning skills

LUSC Mission: Prepare athletes to be competitive players in high school and beyond. Focus on development of soccer techniques, tactics, and teamwork.

LUSC BIG 5

- **Play Hard:** Always give your best effort
- **Have Fun:** Enjoy the game and the team
- **Support Your Team:** Our team is our priority
- **Love the Game:** Soccer is called "The beautiful game"
- **Respect the Other Team and Refs:** Thanks to them. We have someone to play and learn from

June 11 through Aug 3, 2018

Mon – Fri, 8-11 AM, daily

Camp notes:

Open to the public, boys and girls, ages 6-14
 All skill levels welcome, especially beginners!
 Learn to play the LUSC way, and have fun!
 Licensed coaches from LUSC will run all practices
 We use US Soccer lessons for fun, fitness and skills!
 Creating soccer players 1 day at a time!

Cost:

\$7 per day, \$5 per day each if you bring friends!
 First session free! Come check us out!
 We use a pass system: just pay for days you play!

Bring: water, shinguards, cleats and friends!

Camp Location:

Leavenworth Soccer Association
(LSA) Soccer Complex

3500 New Lawrence Rd,
Leavenworth, KS 66048

(Located at 14th Street and New
Lawrence Road across from Warren
Middle School)

"Our kids had so much fun at camp! They had never played before but now they love the game!..."

"We'll definitely be back next year and we're telling all our friends"

"The coaches were great and very organized"

"The coaches made everyone feel welcome, no matter what skill level"

-satisfied parents ☺

"the coaches are awesome! We played games every day. World Cup is my favorite!"

-a happy camper ☺

LUSC competes 10 months out of the year, from August – May, against other premier-level teams in the Kansas City area. There are two outdoor seasons (fall and spring), and in the winter we compete in futsal. We also compete in tournaments in the KC area and sometimes out of state.
